## COMMERCIAL SHRIMP POT FISHERY ANNOUNCEMENT DISTRICT 9 CLOSURE

Effort and catch rates indicate the 6,500-pound guideline harvest level (GHL) for District 9 will be reached by Tuesday, October 5, 2021. The commercial pot shrimp fishery in District 9 will close effective at 4:00 p.m., Tuesday, October 5, 2021, as announced in the Southeast Alaska commercial shrimp pot fishery advisory announcement dated August 17, 2021.

All shrimp pot gear must be removed from the water or placed in storage by the time of this closure. Pots may be stored in the waters of District 9 until 4:00 p.m., Tuesday, October 12, 2021. Stored pots must have all doors secured fully open and all bait and bait containers removed.

Shrimp tickets must be submitted to an Alaska Department of Fish and Game office within seven days of the closure. Fishermen are reminded that catcher/sellers that are intending to sell shrimp to persons unlicensed to process shrimp (i.e. dock sales) must fill out an ADF&G fish ticket indicating the weight of the shrimp on board by species before any shrimp are removed from the vessel [5 AAC 31.143. (d)].

All commercial shrimp fishermen are required to notify the department within two business days of deploying gear and within two business days after ceasing fishing in a district, or portion of a district, with a GHL.

The Emergency Order corresponding with this announcement is EO 1C2321.

Under Alaska's Health Advisories 1, 2, 3, and 4, commercial fishing is an Essential Business and is part of Alaska's Essential Services and Critical Infrastructure. Commercial fishermen should ensure that all travel and other activities in support of commercial fishing operations follow protocols in Alaska COVID-19 Health Advisories. COVID-19 Health Advisories may be found here: <https://covid19.alaska.gov/health-advisories/>.
